

## Machinery Health 2012 Training Offerings

Course No:	Course Name	List Price	Price with support agreement discount <sup>1</sup>	Price with early registration discount <sup>2</sup>
<b>CSI 2130 Machinery Health Analyzer</b>				
2072	Fundamentals of the CSI 2130 .....	\$1,150.00	\$920.00	\$1,035.00
2013	Fundamentals of Vibration & CSI 2130, combined course# for 2069 & 2072 .....	\$2,000.00	\$1,600.00	\$1,800.00
2091	Advanced 2130 with PeakVue .....	\$1,600.00	\$1,280.00	\$1,440.00
E2130	CSI 2130 e-learning .....	\$299.00	\$239.20	\$269.10
<b>AMS Suite: Machinery Health Manager Software</b>				
2068	Introduction to AMS Machinery Manager .....	\$2,000.00	\$1,600.00	\$1,800.00
2074	Intermediate AMS Machinery Manager .....	\$2,000.00	\$1,600.00	\$1,800.00
2070	Advanced AMS Machinery Manager .....	\$2,000.00	\$1,600.00	\$1,800.00
E2074V	Vibration Analysis Module for AMS Machinery Manager (V5.2 or higher) e-Learning .....	\$50.00	\$40.00	\$45.00
<b>Vibration Analysis</b>				
2069	Fundamentals of Vibration .....	\$1,150.00	\$920.00	\$1,035.00
2013	Fundamentals of Vibration & CSI 2130, combined course# for 2069 & 2072 .....	\$2,000.00	\$1,600.00	\$1,800.00
2031	Basic Vibration Analysis (Category I compliant) .....	\$2,000.00	\$1,600.00	\$1,800.00
2032	Intermediate Vibration Analysis (Category II compliant) .....	\$2,000.00	\$1,600.00	\$1,800.00
2033	Advanced Vibration Analysis (Category III compliant) .....	\$2,000.00	\$1,600.00	\$1,800.00
2035	PeakVue Mystery and Autocorrelation .....	\$1,600.00	\$1,280.00	\$1,440.00
2039	Introduction to Windows Based ODS/Modal .....	\$2,000.00	\$1,600.00	\$1,800.00
<b>ISO compliant Vibration Certification Exam</b>				
2021EX	Category I Exam .....	\$250.00	\$200.00	\$225.00
2022EX	Category II Exam .....	\$250.00	\$200.00	\$225.00
2023EX	Category III Exam .....	\$350.00	\$280.00	\$315.00
<b>Machinery Health Monitors</b>				
2088	Online Prediction (CSI 4500/6500/XP32) Operation and Maintenance .....	\$2,000.00	\$1,600.00	\$1,800.00
2080	Online Protection (CSI 6000/6500) Operation and Maintenance .....	\$1,150.00	\$920.00	\$1,035.00
2089	Turbomachinery Diagnostics .....	\$2,200.00	\$1,760.00	\$1,980.00

## Machinery Health 2012 Training Offerings

Course No:	Course Name	List Price	Price with support agreement discount <sup>1</sup>	Price with early registration discount <sup>2</sup>
<b>Corrective</b>				
2015	Balancing Theory & Application for CSI 2130, combined course# for 2015A & 2015B . . .	\$2,000.00	\$1,600.00	\$1,800.00
2015A	Balancing Theory . . . . .	\$1,150.00	\$920.00	\$1,035.00
2015B	Balancing Applications for CSI 2130 . . . . .	\$1,150.00	\$920.00	\$1,035.00
2092	Laser Alignment for CSI 2130 . . . . .	\$1,400.00	\$1,120.00	\$1,260.00
<b>Motor Analysis</b>				
2081	Electric Motor Diagnostics & Basic Motorview, combined course# for 2081A & 2081B . . .	\$2,000.00	\$1,600.00	\$1,800.00
2081A	Electric Motor Diagnostics . . . . .	\$1,150.00	\$920.00	\$1,035.00
2081B	Basic MotorView . . . . .	\$1,150.00	\$920.00	\$1,035.00
<b>Infrared Thermography</b>				
2019	IR Thermography Level I (with Certification Exam). . . . .	\$2,000.00	\$1,600.00	\$1,800.00
2018	IR Thermography Software for AMS Machinery Manager. . . . .	\$1,600.00	\$1,280.00	\$1,440.00
<b>Lubrication</b>				
2082A	Lubrication Level 1 . . . . .	\$900.00	\$720.00	\$810.00
2082B	Lubrication Level 2 . . . . .	\$900.00	\$720.00	\$810.00
2082	Lubrication Level 1 & Level 2, combined course# for 2082A and 2082B . . . . .	\$1,600.00	\$1,280.00	\$1,440.00
2084	Wear Debris Analysis Workshop . . . . .	\$1,150.00	\$920.00	\$1,035.00
2083	OilView for AMS Machinery Manager . . . . .	\$2,000.00	\$1,600.00	\$1,800.00
E2083	OilView for AMS Machinery Manager e-Learning . . . . .	\$499.00	\$399.20	\$449.10
<b>Ultrasonics</b>				
2067	Basic Ultrasonic Theory & Techniques Level 1 . . . . .	\$1,600.00	\$1,280.00	\$1,440.00
<b>Maintenance Strategy</b>				
2053	Root Cause Failure Analysis . . . . .	\$1,600.00	\$1,280.00	\$1,440.00

1. Customers who renew their Technology Support Agreements will receive a certificate good for 20% off list price for attendance at multiple Machinery Health Management courses. Certificate is good for the duration of the support agreement and limited to attendance at factory-located courses within North America.

2. Ten percent (10%) course discount for registrations received at least one month prior to the starting date of the class.

**Discounts cannot be combined on a single training attendance – only one discount per registration is allowed**
