EC DECLARATION OF CONFORMITY

Name of Manufacturer : Rosemount Analytical Inc.
Address of Manufacturer : 10241 West Little York, Suite 200
Houston, Texas 77040
USA

We declare under our sole responsibility that the undernoted equipment conforms with the protection requirements of the following Council directives:

2004/108/EC (The EMC Directive)
94/9/EC (The ATEX Directive)

on the approximation of the laws of the Member states relating to electromagnetic compatibility and equipment and protective systems intended for use in potentially explosive atmospheres.

Equipment : Chromatograph Gas Analyser Model 700

Applicable Standards :

2004/108/EC (The EMC Directive)

EN 61326-1: 2006
(Electrical Equipment for Measurement Control and Laboratory Use : EMC requirements)

EN 55011 : 1998 + Amendments A1 1999 & A2 2002
Industrial, scientific and medical (ISM) radio frequency equipment – Electromagnetic disturbance characteristics – Limits and method of measurement.

94/9/EC (The ATEX Directive)

Notified Body (QAN) : Sira Certification
Rake Lane, Eccleston
Chester, CH4 9JN
(Notified Body Number 0518)

EC-type Examination Certificate : Sira04ATEX1055X

Exd IIC T4 Gb

II 2 G

BSEN 60079-0 : 2006
Electrical apparatus for potentially explosive atmospheres (General Requirements)

BSEN 60079-1 : 2007
Electrical apparatus for potentially explosive atmospheres (Flameproof enclosures "d")

DATE & PLACE OF FIRST ISSUE : HOUSTON TX, FEB 2003
