LIST OF SUPPORTING DOCUMENTATION AND IDENTIFICATION OF THE ACTUAL ITEMS TO BE REGISTERED:

Product Bulletins Listed on "Attachment ADD2", Proof Test Reports, or Calculations, with Drawings and Material Specifications.

This is ADDENDUM 2 for the adding of products and /or Materials per "Attachment ADD2" to OC8768.5

DECLARATION:  
Cliff Westbrook (see note 4) employed by Fisher Controls International, Inc and being the person having full authority and responsibility for the quality of the end product do solemnly declare that the information contained in this form is true and to the best of my knowledge represents the product for which registration is sought. The dimensions, material of construction, pressure-temperature ratings, and identification markings are in accordance with the herein named standards. I further declare that the manufacture of these fittings is regulated by a Quality control Program which extends to each plant where fabrication occurs in whole or in part and has been verified by QMI or HSB Registration Service as being suitable for that purpose. And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath. (See ISO9001:2000 Certs Attached)
