

IMPORTANT PRODUCT SAFETY NOTICE

To: Personalize with complete company name and address

Attention: Personalize with name of contact at company

Subject: **Fisher Types 133H, 133L and 133Z Industrial Regulators**
Manufactured Dates: September 12-October 5, 2000

Our records indicate that you have received one or more Fisher Type 133 Industrial Regulators manufactured in the period of September 12 through October 5, 2000. If you have any of these units in stock or in use, you should remove them from field service and return them to your Fisher Controls representative. Your representative can supply you with your order number, the quantity you ordered, and the specific type number(s).

The 133 regulators in this time period may develop a leak between the body and the lower casing. **LEAKING PROCESS FLUID, NATURAL GAS, ETC. COULD RESULT IN PERSONAL INJURY OR PROPERTY DAMAGE AND THEREFORE WE ARE ASKING THAT THESE REGULATORS BE RETURNED TO THE MANUFACTURER.**

URGENT Action Required by You

- *Locate affected units and remove from service.*
- *If these regulators are in stock, do not use them but return them to your Fisher Representative. Contact your local Fisher Representative or Fisher Sales office for return instructions.*
- *Utilize your Fisher Representative or Fisher Sales office for ordering **no charge replacements.***

The Type 133 units that you have that are affected by this notice are:

<u>Customer P. O. No.</u>	<u>Qty</u>	<u>Fisher Model No.</u>	<u>Date Shipped</u>
---------------------------	------------	-------------------------	---------------------

Thank you for your assistance.
