

**When would you like to stop worrying about your plant's
severe service valves and start enjoying life?**

Is tomorrow soon enough?

Bring your toughest valve applications under control with Emerson's severe service capabilities.

Begin by relying on Fisher valve application specialists who bring years of know-how to solving tough flow control problems. And then specify field-proven Fisher valve answers that eliminate cavitation, reduce excessive valve noise, and help avoid damaging pressure surge conditions.

Quit worrying about severe service valves. Learn more by visiting www.FisherSevereService.com/HP
