

***You're telling me
I can get a Fisher®
pressure pilot at an
affordable price?***

The Fisher® Type 4660 is an accurate, easy to maintain high-low pressure pilot that monitors vessel pressures. It is an exceptional value with Fisher quality construction. See for yourself that factory-built Fisher valves, regulators, and instruments don't cost you more. Visit **www.Fisher.com/oilandgas**. And then call your local Emerson sales representative.
