Official Letter No: 129/TTCN
Ref: *Type approval Certification*

Hanoi, June, 30th 2010

To: SunTech Vietnam Company Ltd.

The Certification Center has received the application letter No 186/TH2010 dated June, 18th, 2010 of your company asking for type approval certification for Fisher-Rosemount Equipment, model: 475 Field Communicator, manufactured by R. STAHL HMI Systems GmbH. After reviewing and screening the document dossier, the Certification Center is of opinion as followings:

This Radio equipment is not subject to “The list of products subject to specialized management by the Ministry of Information and Communications and compulsory to be type approval certification” as in attachment of Legal Circular No 07/2009/TT-BTTTT dated March, 24th 2006 of Minister of Ministry of Information and Communications. Thus, this equipment is not subject to compulsory type approval certification.

The Certification Center would like to confirm this official letter of Exemption for your reference.

Best regards.
