

Your Journey to Becoming the *Reliability Program of the Year*

APRIL

Your Emerson representative nominated you as the outstanding program in his area.

MAY

You are receiving recognition for your program accomplishments and are encouraged to continue the journey. You will need to return your completed application by June 1st.

- Certificate of Recognition

JUNE

Your application will be reviewed by the Reliability Program of the Year board and you will receive:

- A Benchmark and Recommendations report specific to your program.
- \$1000 credit on a \$5000 purchase of AMS technology.
- A 40% discount on a Discovery Visit.

JULY

As one of the Elite Eight programs selected, Emerson will schedule a site visit to further evaluate your program. You'll receive:

- A free Discovery Visit.
- A plaque recognizing your accomplishments.
- Your site identified as an Elite 8 finalist in Emerson publications and web sites.

AUG

As a member of the Top Three, you'll prepare a presentation to give at the Emerson Global Users Exchange in Minneapolis, October 2-6, 2017. As a finalist, you'll receive:

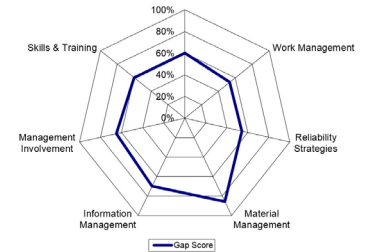

SEPT

- Free admission for two individuals to attend the Emerson Exchange, where you will meet industry leaders and network with other finalists and industry peers (T&L not included).
- A trophy recognizing you as a finalist in 2017.
- Your choice of an AMS Trex Device Communicator or an AMS 9420 Wireless Vibration Transmitter.

OCT

As the winner of the Reliability Program of the Year 2017, you'll receive:

- An AMS 2140 Machinery Health Analyzer.
- Invitations to present at industry-related conferences.
- Opportunities to have your story told in industry publications.
- A seat at the judging table for the **Reliability Program of the Year 2018**.
