Affected Products:

Product Line	Category	Device	Version
Machinery Health Management	AMS Machinery Manager Software	Other Software MHM	5.61
Machinery Health Management	Handheld Analyzers	2130	9.3.15.0
Machinery Health Management	Handheld Analyzers	2140	

This Knowledge Base Article, **NK-1600-0172**, provides the download link for Standalone Data Transfer version 5.61. This application allows the user to load and dump data even without the full Machinery Health Manager installation.

Standalone Data Transfer version 5.61 supports both CSI 2130 and CSI 2140 analyzers.

The downloadable zip file contains the following folders:

- CSI USB Drivers - contains the CSI 2140 driver
- Framework - .NetFramework 4 installer
- MSupdate
- Redistributable
- StandaloneDataTransfer - installer for the Standalone Data Transfer application
- WIC
- WinInstaller

IMPORTANT: The Standalone Data Transfer application will not install if AMS Machinery Health Manager Software exists in the computer. Anti-virus and Firewall should be turned off before installing the application.

To make sure that the software will be entered in Windows Registry, right click the executable, and then select "Run as Administrator."
