Training Schedule Netherlands

2nd Half 2015

Month	Jun-Jul	Jul	Jul	Jul	Jul-Aug	Aug	Aug	Aug	Aug	Aug-Sep	Sep	Sep	Sep	Sep-Oct	Oct	Oct	Oct	Oct	Nov	Nov	Nov	Nov	Dec	Dec	Dec	Dec	
Date	29-3	6-10	13-17	20-24	27-31	3-7	10-14	17-21	24-28	31-4	7-11	14-18	21-25	28-2	5-9	12-16	19-23	26-30	2-6	9-13	16-20	23-27	30-4	7-11	14-18	21-25	
Week	27	28	29	30	31	32	33	34	35	36	37	38	39	40	41	42	43	44	45	46	47	48	49	50	51	52	
Course Description	Code																										
Delta V																											
DeltaV Implementation I	7009																										
DeltaV Batch Implementation	7016																										
DeltaV Implementation II	7017																										
DeltaV Hardware & Troubleshooting	7018																										
DeltaV Systems Administration Windows 7 / Server2008	7027																										
AMS Device Manager with DeltaV	7039																										
DeltaV Introduction	7101																										
DeltaV Advance Control	7201																										
Power Quality & Grounding for Electronic Systems	5590																										
Delta V SIS																											
DeltaV SIS with SLS 1508 Maintenance	7303																										
DeltaV SIS Maintenance	7304																										
DeltaV SIS Implementation	7305																										
Syncade Suite																											
Overview	7080	on demand																									
Document Control and Archiving	7081	on demand																									
Training and Development	7082	on demand																									
Equipment Tracking	7083	on demand																									
Materials, Inventory and Order Management	7084	on demand																									
Recipe Authoring	7095	on demand																									
Plant Optimisation & AMS																											
Wireless	2375																										
AMS Device Manager	7020																										
AMS Device Manager with Fisher HART Instruments	7022	on demand																									
Control Valves																											
Valve Engineering I	1300																										
Valve Engineering II	1350																										
Valve Technician I	1400																										
Valve Maintenance with DVC Calibration	1451																										
Fundamentals of FIELDVUE and Handheld	1751																										
Valvelink and Diag for FIELDVUE operations	1752																										
Instruments																											
MicroMotion Coriolis	2359																										
Rosemount Flow Vortex	2341																										
Rosemount Flow Magmeter	2340																										
Foundation Fieldbus																											
Foundation Fieldbus Devices	7030																										
Foundation Fieldbus Systems and Devices	7032																										
Communication Interface with the DeltaV system	7037																										
RS3																											
Basic Configuration of RS3	3100	on demand																									
RS3 Hardware & Troubleshooting	3200	on demand																									
Advanced Configuration of RS3	3500	on demand																									
Provox																											
PROVOX System Configuration using ENVOX	5190	on demand																									
PROVOX Advanced Control Configuration using ENVOX	5390	on demand																									
PROVOX Systems Hardware and Troubleshooting	5503	on demand																									
DeltaV on demand																											
DeltaV older revisions	ALL	on demand																									
DeltaV Operator Interface for Cont. Control	7012	on demand																									
DeltaV Operator Interface for Batch Control	7014	on demand																									
DeltaV Operate for PROVOX	7060	on demand																									

E = Ede, S = Sittard, blank = Rijswijk NOTE: Schedule is subject to change without notice
