

# Mock-Ups for 5700 Firmware Download

---

These mock-ups will allow users to download firmware upgrades from the Micro Motion internet website. The links will be available on the 5700 Product Page as well as the Software Downloads Page. Please contact Dawn Kelsch with any questions.

## Software Downloads Page

<http://www2.emersonprocess.com/en-US/brands/micromotion/Related-Information/Pages/software-downloads.aspx>

At the top of the page, there is a section for ProLink III Software Upgrade and then EtherNet/IP Module Software Patches. Add between the two sections a link for “Model 5700 Firmware Upgrade” as well as some important notes. For example:

### ProLinkIII Software Upgrade

ProLink content...

### Model 5700 Firmware Upgrade

#### Important Notes

1. The Model 5700 can be upgraded to the latest revision of firmware using the link below. If you need to downgrade your 5700 firmware, please contact Micro Motion support.
2. The downloadable zip file below contains instruction on how to upgrade your 5700 firmware.

 [Model 5700 Firmware Upgrade July 4, 2015 \(5 MB ZIP file\)](#)

### EtherNet/IP Module Software Patches

EIP zip files...

The “Model 5700 Firmware Upgrade” link shall be gated content such that when a user clicks on the link, the user is asked for information and a checkbox to agree with liability. After that, the browser should ask if they want to save “MMI\_5700\_FW\_Upgrade.zip” file.

## 5700 Product Page

<http://www2.emersonprocess.com/en-US/brands/micromotion/coriolis-transmitters/model-5700/Pages/index.aspx>

At the bottom of the page under the Documentation tab, there is a section titled “Software Downloads”. Add a link for “Model 5700 Firmware Upgrade”. For example:

- Software Downloads
  - Configuration Software
    - [Model 5700 Firmware Upgrade](#)  
5 MB zip July 4, 2015
    - + [Modbus Interface Tool](#)

The “Model 5700 Firmware Upgrade” link shall be gated content such that when a user clicks on the link, the user is asked for information and a checkbox to agree with liability. After that, the browser should ask if they want to save “MMI\_5700\_FW\_Upgrade.zip” file.
