

Blended Learning for DeltaV Systems

Blended Learning offers greater ease of access with relevant, practical, professional training tailored to meet specific needs using smart technology.

Three New Offerings Coming Soon:

- Refresher Training (January 2016)
- Blended Online Courses for 7009/7016/7017 (Spring 2016)
- Blended Custom Operator Training Courses (January 2016)

Save money and minimize time away from the plant with flexible, convenient learning that fits into every work day.
