

EMERSON PROCESS MANAGEMENT VALVE AUTOMATION, INC.

SHAFER™

PARTS LIMITED WARRANTY

Emerson Process Management Valve Automation, Inc. warrants the parts as are of its own manufacture produced under the Shafer™ brand name, to be furnished by it to be free from defects in materials and workmanship under normal use, service and conditions when used for the purposes and service, and within the specifications for which it was sold and agrees to replace at its factory any said parts demonstrated to its satisfaction to be thus defective and which are returned to its factory, transportation prepaid, within the first twelve (12) months period from the date of start-up time for this equipment or within eighteen (18) months from the date of delivery to purchaser, whichever is first. This warranty is made expressly in lieu of all other warranties expressed or implied and the Company's obligation hereunder shall in no event exceed the purchase price of the defective parts. The Company does not assume or authorize any person to assume for it any other liability in connection with this transaction.
