

**Certificate for receipt of Technical Documentation
Directive 94/9/EC Annex VIII paragraph 3**

Manufacturer: Emerson Process Management – Valve Automation
19200 NW Freeway
Houston
Texas 77065
United States of America

Subject: Notification of receipt of technical documentation (Directive 94/9/EC Annex VIII paragraph 3) in accordance with Directive 94/9/EC Chapter II Article 8(b)(ii)

Sira Test & Certification (Notified Body No 0518) confirm that a copy of the technical documentation files for the following products has been received and will be retained as required by the Directive:

Manufacturer's reference	Sira Reference	Subject
GBL Series	Sira 11XT250 R1	GBL Series Linear Actuator (All models GBL01/GBL13 for pneumatic service)

Date received: 14 December 2012

The certificate is issued to recognise the change of company name and address

Please write to Sira quoting the relevant Sira reference number if you add additional or amended documents to the file. This service will attract a fee.

On behalf of Sira Test & Certification
