Micro Motion® 3098 Gas Specific Gravity

Course 2386

Course Length/Location: One-day course offered at a Customer Site or a Public Registration Class

Price:

\$3400 (for up to 10 people) + Expenses
\$700/person (inclusive)

Customer Specified Site
Public Registration Class

Learning Objectives:

After attending this course the student will be able to do the following:

- Be able to explain the principle of operation for how a Micro Motion 3098 Gas Specific Gravity meter works and the function of the key components.
- Be able to apply installation best practices including orienting, mounting, piping and wiring a Micro Motion 3098 Gas Specific Gravity meter.
- Be able to configure a Micro Motion 3098 Gas Specific Gravity meter and perform the required field calibration.
- Be able to apply a step by step process to perform basic troubleshooting of the most common issues customers encounter.

Description:

This 1-day course consists of a blend of lectures and hands-on exercises that cover an overview of the operating principle, key components and applications of a Micro Motion 3098 Gas Specific Gravity meter. The process of commissioning a Micro Motion 3098 Gas Specific Gravity meter is covered including: installation, wiring configuration and field calibration at initial startup. Troubleshooting of commonly seen issues is also covered. This course includes hands-on demonstrations.

Prerequisites:

None required. However, a basic understanding of the fundamentals of flow measurement, electricity, analog & frequency signal processing are assumed.

Target Audience:

This one-day course is intended for anyone that is involved with properly installing, wiring, configuring and troubleshooting a Micro Motion 3098 Gas Specific Gravity meter. Typical job functions include: maintenance technicians, instrument technicians and instrumentation engineers.

Cancellations: If your plans or budgets change, you may cancel your reservations up to 14 calendar days prior to the start of the course without incurring a cancellation charge. Limited enrollment makes it necessary to charge 50% of the full tuition for cancellations received during the 14 days prior to the start of the course, and full tuition for failure to attend without cancelling. Substitutions are accepted until the first day of class.
