

September 28, 2010

Tanya Francis
TECHNICAL STANDARDS & SAFETY AUTHORITY
3300 BLOOR STREET WEST
14 FLOOR CENTRE TOWER
TORONTO, ON M8X 2X4

Dear Tanya Francis,

The design submission, tracking number 2010-04512, originally received on July 22, 2010 was surveyed and accepted for registration as follows:

CRN : 0C08768.52 **Accepted on:** September 28, 2010
Reg Type : Addition to Acc. Fitting **Expiry Date:** September 06, 2013
Drawing No. : BULLETIN 71.1:MR150 & 71.4:MR108
Fitting Desc: TYPE MR105 & MR108 SERIES REGULATORS

Design registered in the name of : EMERSON PROCESS MANAGEMENT REGULATOR TECHNOLOGY
IN

The registration is conditional on your compliance with the following notes:

As per the TSSA acceptance letter of July 08, 2010 the scope of this registration is as following:

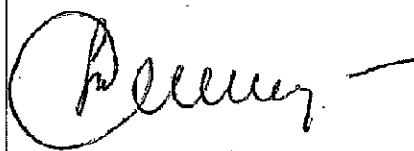

- Addition of regulators per Bulletin 71.1:MR105(June 2010D) and Bulletin 71.4:MR108(June 2010D) for 1",2",3" and 4" valves
- Addition of two new plant locations .

This registration is valid until the indicated expiry date only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency until that date. Should the approval of the quality management system lapse before the expiry date indicated above, this registration shall become void.

An invoice covering survey and registration fees will be forwarded from our Revenue Accounts.

Enclosed are stamped prints for your reference.

Sincerely,

ONSHCHENKO, TETYANA, P. Eng.
Design Survey Engineer

the pressure equipment safety authority

STATUTORY DECLARATION
Registration of Fittings

In this space, show facsimile of manufacturer's logo or trademark as it will appear on the fitting.

I, David E. Woollums,

Vice President - Engineering

(company title, e.g. vice president, plant manager, chief engineer) (must be in a position of authority)

of Emerson Process Management, Regulator Technologies, Inc

(name of manufacturer)

located at 310 East University Drive; McKinney, Texas 75071

(plant address)

do solemnly declare that the fittings listed hereunder, which are subject to the Safety Codes Act (check one)

comply with the requirements of _____ which specifies the dimensions, (title of recognized North American Standard)

materials of construction, pressure/temperature ratings and identification marking of the fittings, or

are not covered by the provisions of a recognized North American standard and are therefore manufactured to comply with ASME B31.3 - 326 as supported by the attached data which identifies the dimensions, materials of construction, pressure/temperature ratings and the basis for such ratings, and the marking of the fittings for identification.

I further declare that the manufacture of these fittings is controlled by a quality control program which has been verified by the following authority, AJA, SAI, HSB or Bureau Veritas as being suitable for the manufacture of these fittings to the stated standard. The fittings covered by this declaration, for which I seek registration, are Type MR105 & MR108 Series

In support of this application, the following information, calculations and/or test data are attached:

Product Bulletins 71.1:MR105 & 71.4: MR108, Drawings, Calculations and ISO certificates for all sites

DECLARED before me at Emerson Proc. Mgmt in the County of Collin
