

For Transmission, Distribution and Utilization, the choice is **EZ.**

EZH

EZHSO

EZR

EZL

Choose the EZ Family of Regulators from the Technology Leader.

From high pressure transmission to low differential utilization, and everything in between, there's an EZ to meet your pressure regulation needs in a variety of sizes and configurations. Each one with smooth, reliable operation, tight shut-off and long life. Though the EZ family may be new, it's part of a family that's been the leader in regulator technology for over 125 years. Call to find out how easy EZ can be: 1-800-558-5853; outside the U.S., call 1-972-548-3574. Or e-mail us at WebAdmin.Regulators@Emerson.com.
