

## *Integrated Ultrasonic Cleaning Systems DHA-1000*

Branson's DHA-1000 Ultrasonic Cleaning System offers a full range of features to meet most precision cleaning requirements. These compact units incorporate all stainless steel tank construction, and a modern, solid-state ultrasonic generator with 40 kHz industrial transducers to deliver precise cleaning quickly, consistently, and cost effectively.

### **KEY FEATURES**

- On/off heat switch – heats up to 140°F.
- Deep-drawn stainless steel tank with rounded corners for easy cleaning.
- Ultrasonic generator, transducers, and cleaning tank in one compact unit.
- Convenient analog controls mounted below a drip lip - within easy reach, but away from the solution.
- Requires only electrical connection for full operation.
- One year warranty.

# Precision Cleaning

## TYPICAL APPLICATIONS

The DHA units are ideal for cleaning larger parts which will not fit into smaller Branson table-top ultrasonic cleaners. Applications include:

- Larger laboratory glassware/ apparatus.
- Fabricated metal sub-assemblies.
- Larger or multiple printed circuit boards.
- Injection molded plastic parts.

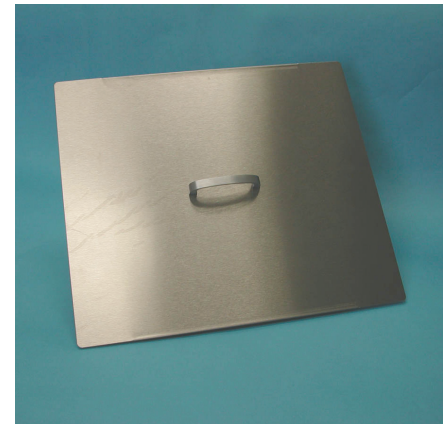

## SPECIFICATIONS

|                                     |                           |
|-------------------------------------|---------------------------|
| <b>Part Number - 117V, 60 Hz</b>    | 000-914-506               |
| <b>Part Number - 230V, 50/60 Hz</b> | 000-914-606               |
| <b>Part Number - Cover</b>          | 100-246-802               |
| <b>Part Number - Basket</b>         | CPN-916-032               |
| <b>Tank Dimensions:</b>             | 14" L x 16" W x 10.5" D   |
| <b>Tank Capacity:</b>               | 10 gallons                |
| <b>Overall Dimensions:</b>          | 17" L x 19" W x 19" H     |
| <b>Power Requirements:</b>          | 117V, 11.5A or 230V, 5.7A |
| <b>Heater Power:</b>                | 1000 Watts                |
| <b>Shipping Weight:</b>             | 70 lbs.                   |

**Note: Basket and cover sold separately – cannot place items on tank bottom.**
