

# Reliable Performance from the Right Angle.

The all NEW Type R642 second-stage regulator from FISHER®.  
A perfect fit for metered installations and Type R352 replacement.

High Performance Relief

Convenient Test Connections

Reliable Performance

Easy Installation

- Easy Installation with large wrench flats, universal mounting bracket and identical piping dimensions as the Type R352.
- High Performance Relief with Fisher® Double Failure Overpressure Protection.
- Simplified Testing enabled by Inlet and Outlet gauge taps.
- Reliable Performance from an inlet screen and larger diaphragm ensuring lockup.
- Corrosion Resistant materials and coatings, including SST relief spring, retainer clip and lever pins.
