**10.3** Seller may rectify any defect several times and may decide at its discretion to change from rectification to subsequent delivery. Seller shall be responsible for all costs incurred in connection with its subsequent performance, especially the transport, shipping, labour and material cost, unless such costs are incurred as a result of the Goods being taken to a place other than the place of performance.

**10.4** Buyer may set a reasonable period of at least four (4) weeks to Seller for him to provide subsequent performance and, if subsequent performance fails during such period, may demand reduction of the Contract Price after expiry of that period or, unless the defect is insignificant, may rescind the Contract. Damages may only be claimed in line with Clause 14.

**10.5** Any claims and rights based on defects will become time-barred, except in the case of intent, after expiry of twelve (12) months since taking into operation of the Goods, however no later than eighteen (18) months since delivery. manner, for a purpose, in a country, or in connection with other goods or services, without this having been communicated to Seller before execution of the Contract.

**11.3** During the period of Seller's warranty, Buyer has the obligation to inform Seller in writing as promptly as possible in the event that a third party claims any patent or other proprietary right or asserts any claims in or out of court with respect to the Goods or Services. Before recognising any claim advanced by a third party in or out of court, Buyer shall give Seller the opportunity to comment. At its request, Seller shall be given the authority to handle the negotiations or legal dispute with such third party at its own cost and responsibility. Buyer shall be liable to Seller for any damage sustained by it as a result of a culpable violation of said obligations.

**11.4** Buyer warrants that the use of a design provided by it or compliance with an instruction given by it will not lead to Seller infringing any patents or other proprietary rights when performing its contractual obligations. Buyer agrees to indemnify and hold Seller harmless against any reasonable cost and damages incurred by Seller as a result of Buyer's breach of this warranty.

#### **12. DAMAGES**

**12.1** Seller shall be liable to Buyer only for damage caused with intent or gross negligence. In the event of breach of material contractual obligations, Seller shall, however, be liable for each fault of its personnel (statutory representatives, executive employees and other persons employed in the performance of its obligations) causing damage.

**12.2** Except in case of intentional causation of damage by personnel of Seller or causation of damage with gross negligence by statutory representatives or executive employees of Seller, Seller shall not be liable for compensation for indirect damage and, in particular, Seller shall not be liable for compensation for loss of profit, unless such damage is covered by the protective purpose of a warranty explicitly assumed.

**12.3** Except in case of intentional causation of damage by personnel of Seller or causation of damage with gross negligence by statutory representatives or executive employees of Seller, the liability of Seller shall, in each case, be limited in terms of amount to the damage which is typically foreseeable in the time of conclusion of the contract.

**12.4** Claims to damages which result from the violation of another's life, body or health, from the violation of a guaranty given by Seller expressly in writing as well as damage claims under the Product Liability Act shall remain unaffected.

**13.1** If Seller's obligations under the Contract shall be increased or reduced by reason of the making or amendment after the date of Seller's quotation of any law or any order, regulation or bye-law having the force of law that shall affect the performance of Seller's obligations under the Contract, the Contract Price and delivery period shall be adjusted accordingly and/or performance of the Contract suspended or terminated, as appropriate. A price adjustment shall not be implemented if the delivery is to be carried out within 4 months after the closing of the Contract.

**13.2** Except to the extent otherwise required by applicable law, Seller shall have no responsibility for the collection, treatment, recovery or disposal of (i) the Goods or any part thereof when they are deemed by law to be 'waste' or (ii) any items for which the Goods or any part thereof are replacements. If Seller is required by applicable law, including waste electrical and electronic equipment legislation, European Directive 2002/96/EC (WEEE) and related legislation in EU Member States, to dispose of 'waste' Goods or any part thereof, Buyer shall, unless prohibited by applicable law, pay Seller, in addition to the Contract Price, either (i) Seller's standard charge for disposing of such Goods or (ii) if Seller does not have such a standard charge, Seller's costs (including all handling, transportation and disposal costs and a reasonable mark-up for overhead) incurred in disposing of such Goods.

**13.3** Buyer's personnel shall, whilst on Seller's premises, comply with Seller's applicable site regulations and Seller's reasonable instructions, including but not limited to those relating to safety, security and electrostatic discharge.

#### **14. COMPLIANCE WITH LAWS**

Buyer agrees that all applicable import, export control and sanctions laws, regulations, orders and requirements, as they may be amended from time to time, including without limitation those of the United States, the European Union and the jurisdictions in which Seller and Buyer are established or from which items may be supplied, and the requirements of any licenses, authorisations, general licences or licence exceptions relating thereto will apply to its receipt and use of hardware, software, services and technology. In no event shall Buyer use, transfer, release,

export or re-export any such hardware, software or technology in violation of such applicable laws, regulations, orders or requirements or the requirements of any licences, authorisations or licence exceptions relating thereto. Buyer agrees furthermore that it shall not engage in any activity that would expose the Seller or any of its affiliates to a risk of penalties under laws and regulations of any relevant jurisdiction prohibiting improper payments, including but not limited to bribes, to officials of any government or of any agency, instrumentality or political subdivision thereof, to political parties or political party officials or candidates for public office, or to any employee of any customer or supplier. Buyer agrees to comply with all appropriate legal, ethical and compliance requirements.

#### **15. DEFAULT, INSOLVENCY AND CANCELLATION:**

Seller shall be entitled, without prejudice to any other rights it may have, to cancel the Contract forthwith, wholly or partly, by notice in writing to Buyer, if Buyer is in default of any of its obligations under the Contract and fails, within 30 (thirty) days of the date of Seller's notification in writing of the existence of the default, either to rectify such default if it is reasonably capable of being rectified within such period or, if the default is not reasonably capable of being rectified within such period, to take action to remedy the default.

#### **16. SUPPLEMENTARY TERMS AND CONDITIONS:**

If the Goods comprise or include a control system, Seller's Supplementary Terms and Conditions Applicable to the Supply of Control Systems and Related Services (set out below) shall apply to the control system and related services only. Such Supplementary Terms and Conditions shall take precedence over these Standard Terms and Conditions of Sale.

#### **17. MISCELLANEOUS:**

**17.1** Upon notice of termination of Buyer, Seller shall immediately discontinue the work specified by Buyer, thereafter doing only such as may be necessary to preserve and protect work already in progress. Thereafter, provided that Buyer is notified within ten (10) calendar days of any such costs, Seller and its sub-suppliers shall be entitled to compensation for their reasonable costs properly allocable to the termination but not for any profits for the portion of the subject of the contract not performed.

**17.2** No waiver by either party with respect to any breach or default or of any right or remedy and no course of dealing, shall be deemed to constitute a continuing waiver of any other breach or default or of any other right or remedy, unless such waiver be expressed in writing and signed by the party to be bound.

**17.3** If any clause, sub-clause or other provision of the Contract is invalid or unenforceable, this shall not affect the validity of the remainder of the Contract. Should one of the clauses be invalid or unenforceable, the parties obligate themselves to replace the invalid or unenforceable clause by such a clause which comes closest to the intended economic purpose of the invalid clause.

**17.5** Seller enters into the Contract as principal. Buyer agrees to look only to Seller for due performance of the Contract.

Buyer acknowledges and agrees that Seller and Seller's Affiliates have expended considerable resources in selecting and training employees and independent contractors to perform the specialized work contemplated by this Contract. Accordingly, Buyer agrees that it shall not, and shall procure that each Buyer Affiliate shall not, at any time during the term of this Contract and for a period of one (1) year following completion of the Services, either on its own behalf or in association with any other person, directly or indirectly, approach, canvass, solicit, hire, engage or employ any employees or independent contractors of Seller or any Seller Affiliate or Seller's representatives or contractors engaged in the performance of the Services. Should Buyer violate the foregoing provision, Buyer agrees to pay Seller an amount equal to €150,000. Buyer acknowledges that nothing in this Clause shall restrict Seller from seeking any remedy available to it pursuant to applicable laws to compensate it for breach of this provision, including but not limited to injunctive relief. To the extent that Buyer is unable to ensure compliance by any Buyer affiliate with the terms of this Clause S10 then Buyer shall indemnify Seller in respect of any loss, costs, claims or expenses incurred as a result of such non-compliance.

#### **S11. SCOPE OF SITE WORK:**

The Site Work to be provided by Seller shall be as detailed in the Contract.

#### **S12. SITE FACILITIES:**

**S12.1** To enable Seller's obligations under the Contract in respect of Site Work to be expeditiously and properly carried out Buyer will provide the facilities set out in the Contract at no cost to Seller, as and when required; if no such facilities are stated in the Contract, Buyer shall at no cost to Seller provide all facilities and assistance required by Seller which may include but shall not be limited to the following:

- a) suitable access to the Site, satisfactory foundations and environmental conditions for the Equipment, adequate lifting facilities and scaffolding, all unskilled labour, any masons', joiners' or builders' work necessary, suitable security and protection for the Site and for the System from time of delivery, any electrical power, lighting and heating needed, suitable sanitation facilities and drinking water (reasonably close to the point(s) of installation of the System) and all other necessary facilities and assistance.

- c) convenient continuous and unrestricted access to the Plant and to the System.
- d) qualified operators and attendants for the Plant.
- e) a safe working environment for Seller's Personnel (including where appropriate, safety induction procedures and special protective clothing).
- f) adequate first-aid and medical facilities at or adequately close to the Site.

**S12.2** Buyer will be responsible for ensuring that the Plant is correctly installed and fit for its purpose and that any necessary minor adjustments to be made to the Plant are carried out expeditiously.

**S12.3** Unless otherwise agreed Seller will not be responsible for unloading the System and moving it to the place of Installation. If, in Seller's sole opinion, the Site environmental conditions are not suitable for the Installation of the System, a safe working environment does not exist on Site or if Buyer fails to have provided any facility or assistance to be provided by it under the Contract, Seller's obligations to provide Site Work shall be suspended (without liability to Seller) until the conditions have been rectified to Seller's satisfaction and any time limits for completion of the Site Work shall be appropriately extended. If the System has suffered loss, damage or deterioration after delivery and before Site Work commences, the System shall be put in a satisfactory condition at Buyer's cost before Seller shall be obliged to proceed.

**S12.4** Where the Contract calls for the carrying out of Site Work outside Germany, Buyer shall also provide at no cost to Seller:-

- a) suitable accommodation and messing facilities to a suitable international standard at or near the Site.
- b) assistance with obtaining (in sufficient time not to cause delay) visas, residence permits, work permits and any other necessary authorities for any of Seller's Personnel (and their dependants if appropriate) required to attend at the Site for the purposes of the Contract.
- c) assistance with obtaining any licences, authorities or permits necessary for the importation into the foreign country, and subsequent re-export, of any test equipment and tools necessary for the performance of the Contract, if these are to be provided by Seller.

#### **S13. SUPERVISION OF INSTALLATION:**

**S13.1** Where Seller is responsible for supervision of Installation or part thereof, Seller shall provide the services of one or more competent personnel to give instruction to the skilled and unskilled labour provided by Buyer to secure:-

- a) the reception and unpacking of the Equipment
- b) the moving to the place or places of Installation of the various items of Equipment and their Installation.

If called for by the Contract, Seller shall load the Software and (if provided by Seller) the Configuration software onto the Equipment. If the Configuration has been performed by Buyer or others, Buyer shall be responsible for the loading of the Configuration software.

**S13.2** The skilled and unskilled labour provided by Buyer shall remain the servants of and under the control of Buyer. Seller shall not be liable for any act or omission of such labour, but if in giving or omitting to give orders or instructions to such labour, Seller's supervisory personnel fail to use proper skill and care, Seller shall be liable for the consequences of such failure in accordance with the Contract.

#### **S14. SITE ACCEPTANCE TESTS:**

Where Seller is responsible under the Contract for the performance of the Site Acceptance Tests:-

**S14.1** When Installation is complete to Seller's satisfaction, Seller will give 7 (seven) days' notice to Buyer of the commencement of the Site Acceptance Tests. Unless otherwise agreed in the Contract, the Site Acceptance Tests will be conducted in accordance with Seller's standard test procedures.

**S14.2** If Seller is unable to proceed with Site Acceptance Tests on the due date for commencement thereof due to reasons within the control of Buyer, or if the System fails to pass the Site Acceptance Tests due to reasons outside Seller's control, the System shall be deemed to have been taken over and the Site Acceptance Certificate referred to in Sub-Clause S14.4 shall be deemed to have been signed by Buyer. In either event the Site Acceptance Tests, or repeats thereof, shall be conducted at a time to be agreed and any additional costs incurred by Seller shall be to the account of Buyer.

**S14.3** If during the Site Acceptance Tests any of the System is found not to be in accordance with the Specification, Seller shall promptly make good the defect. Thereafter the Site Acceptance Tests shall be repeated in accordance with this Clause S14, insofar as is necessary to demonstrate that the System conforms with the Specification.

**S14.4** When the System has passed Site Acceptance Tests, Buyer shall sign a Site Acceptance Certificate. The Site Acceptance Certificate may record that the System has passed the Site Acceptance Tests but subject to reservations related to minor defects, which defects will be rectified by Seller at a time to be agreed.

**S14.5** The signature of the Site Acceptance Certificate by Buyer shall, save in the case of fraud or dishonesty relating to or affecting any matter dealt with therein, and save for any continuing liabilities of Seller as detailed in Clause 10 of the Standard Conditions of Sale, or the remedying of minor defects referred to in Sub-Clause S14.4, be conclusive evidence of the sufficiency of the System and any Site Work provided by Seller in connection with the Contract.

**S15. COMMISSIONING:** If specified in the Contract, Seller shall assist Buyer with Commissioning. Buyer shall be responsible for the operation of the System and of the Plant during Commissioning and shall provide suitably qualified personnel to perform such work.

#### **S16. PAYMENT FOR SITE WORK:**

**S16.1** Unless otherwise agreed, any sums payable in respect of Site Work shall be paid within 30 (thirty) days of Seller's invoices rendered monthly in arrears and in any event the balance of any monies due to Seller shall be payable not later than 30 (thirty) days from the completion of Site Work.

**S16.2** If under the Contract, Buyer or Buyer's agent or representative is required to countersign Seller's timesheets or other related documentation, such countersignature shall be conclusive proof that the Site Work concerned has been performed and that Seller is entitled to claim payment therefor.

**S17. STATUS OF SELLER'S PERSONNEL:** Nothing in the Contract shall establish the relationship of master and servant as between Buyer and Seller's Personnel, and Seller's Personnel shall not be required to perform any tasks not falling within Seller's responsibility under the Contract.
