

TANK UNIVERSITY

Invitation

Emerson Process Management

is pleased to invite you to the Tank University seminars which will be held in:

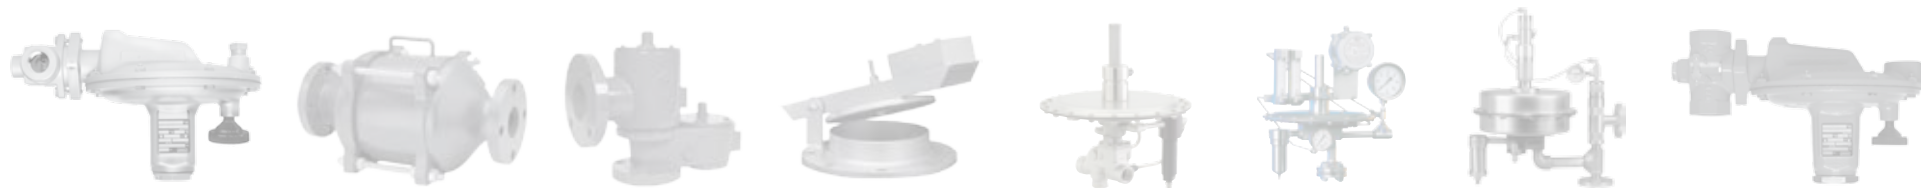

1. CATCH Center, Redwood Park Estate, Stallingborough, North East Lincolnshire DN41 8TH, England on Monday, July 7th
2. Wilton Centre, Redcar, TS10 4RF, England on Tuesday, July 8th
3. Macdonald Inchyra Grange Hotel, Falkirk, FK2 0YB, Scotland on Thursday, July 10th

This is a unique opportunity for you to discover Emerson's Single Solution Protection that combines industry-leading tank blanketing and vapour recovery regulators with top-rated flame arrestors, pressure-vacuum relief valves, emergency vents, and tank hatches to deliver seamless compatibility.

It would be highly appreciated if you could send your confirmation for one of the three Tank University events by 1st of July either online http://go.emersonprocess.com/Tank_University or by e-mail: Tony.Gray@Emerson.com, tel. +44 788 775 1229.

AGENDA

- 09:00 Welcome
- 09:15 Introduction to Tank Management
- 09:30 Tank Blanketing – PAD and DEPAD
- 10:15 Vacuum and Relief Pressure Control – PVRV and EPRV
- 11:00 Break
- 11:15 Calculation, Sizing and Selection
- 12:00 Solutions for a Better Vapor Pressure Control
- 13:00 Lunch
- 14:00 Introduction to Flame Arrestor Technology
- 14:30 EMERSON Approach to Detonation Arrestors
- 15:00 Questions and Answers
- 15:30 Conclusion

Your participation is invaluable to the project's success!
