

“Used to be
that my severe
service valves
caused constant
problems.
Not anymore.”

Fisher and FIELDVUE are marks owned by one of the companies in the Emerson Process Management business division of Emerson Electric Co. The Emerson logo is a trade mark and service mark of Emerson Electric Co. All other marks are the property of their respective owners.

Bring your tough valve applications under control with Emerson's Fisher® severe service capabilities.

Capabilities that start with Fisher applications specialists who bring years of know-how to solving valve problems.

And capabilities that include field-proven valve technologies and products, such as the Fisher digital valve system with its FIELDVUE® digital valve controller as well as severe service solutions that eliminate cavitation, reduce excessive valve noise, and help avoid damaging pressure surge conditions.

Learn how you can solve severe service valve problems and improve plant control. And see how others have used Fisher capabilities to their advantage. Visit www.fishersevereservice.com.
