

Employee Resource Groups

Asian & Pacific Islander **Alliance**

Facilitate a better understanding of the topics that impact Asian employees and how they influence and impact their work. Create awareness and organize/support events that celebrate different Asian cultures and increase Emerson's presence in the local community.

Black Employee **Alliance**

Foster a diverse and inclusive environment by partnering with Emerson to attract, retain, and advance Black Employees & Allies and strengthen the communities we serve.

Diverse Abilities

Celebrate the diversity and differences within the Emerson community through encouraging social awareness of perceived impairments and/or disabilities and highlighting the effect of discrimination and social exclusion on individuals

LGBTQ + Allies

Empower our LGBTQ and allied workforce, foster a diverse and inclusive company culture, and grow our commitment to innovation by promoting the recruitment, advancement, and retention of diverse talent.

Mosaic

Our vision is to foster a community passionate about different cultures, one that can connect on shared ideals, promote cultural diversity, and create an inclusive work environment for people working away from their home country.

Somos

Continuously improve recruitment, retention, and development of Latin Americans and Hispanics at Emerson, while promoting cultural awareness, creating opportunities to reach our full potential, and increasing leadership representation within the company and the communities we represent.

Veterans Resource Group

Foster inclusiveness through internal cultural events for ALL employees, promote talent diversity by hiring and empowering Emerson veterans, and strengthen our surrounding communities through selfless service.

Women's Impact Network

Attracts, develops and retains women at Emerson by elevating their visibility and inspiring them to achieve their career goals.
