Model Number	Connection	Description
WL-UN01-11L	Wired	Safety Shower and Eyewash Station Monitoring Kit • UL General Purpose Latching TopWorx GO Switches
WL-UN02-11L	Wired	Insulated Safety Shower and Eyewash Station monitoring Kit • UL General Purpose Latching TopWorx GO Switches
WL-UN03-11L	Wired	Eyewash Station Monitoring Kit • UL General Purpose Latching TopWorx Go Switch
WL-UN04-11L	Wired	Safety Shower Monitoring Kit • UL General Purpose Latching TopWorx Go Switch
WL-UN12-11L	Wired	Safety Shower and Eyewash Station Monitoring Kit • CSA General Purpose Latching TopWorx GO Switches
WL-UN13-11L	Wired	Insulated Safety Shower and Eyewash Station monitoring Kit • CSA General Purpose Latching TopWorx GO Switches
WL-UN28-11L	Wired	Safety Shower and Eyewash Station Monitoring Kit • UL General Purpose Non-Latching TopWorx GO Switches
WL-UN05-11L	Wireless	Safety Shower and Eyewash Station Monitoring Kit • UL General Purpose Latching TopWorx GO Switches • FM Intrinsically Safe Rosemount 702 Wireless Transmitter
WL-UN06-11L	Wireless	Safety Shower and Eyewash Station Monitoring Kit • UL General Purpose Latching TopWorx GO Switches • ATEX Intrinsically Safe Rosemount 702 Wireless Transmitter
WL-UN07-11L	Wireless	Safety Shower and Eyewash Station Monitoring Kit • CSA General Purpose Latching TopWorx GO Switches • CSA Intrinsically Safe Rosemount 702 Wireless Transmitter
WL-UN09-11L	Wireless	Insulated Safety Shower and Eyewash Station Monitoring Kit • UL General Purpose Latching TopWorx GO Switches • FM Intrinsically Safe Rosemount 702 Wireless Transmitter
WL-UN10-11L	Wireless	Insulated Safety Shower and Eyewash Station Monitoring Kit • UL General Purpose Latching TopWorx GO Switches • FM Intrinsically Safe Rosemount 702 Wireless Transmitter with Extended Antenna
WL-UN20-11L	Wireless	Eyewash Station Monitoring Kit • UL General Purpose Latching TopWorx Go Switch • FM Intrinsically Safe Rosemount 702 Wireless Transmitter
WL-UN23-11L	Wireless	Safety Shower and Eyewash Station Monitoring Kit • UL General Purpose Non-Latching TopWorx GO Switches • FM Intrinsically Safe Rosemount 702 Wireless Transmitter
WL-UN31-11L	Wireless	Eyewash Station Monitoring Kit • CSA/FM Class I, Div 2 Latching TopWorx GO Switch • FM Intrinsically Safe Rosemount 702 Wireless Transmitter
WL-UN32-11L	Wireless	Safety Shower and Eyewash Station Monitoring Kit • CSA/FM Class I, Div 2 Latching TopWorx GO Switches • FM Intrinsically Safe Rosemount 702 Wireless Transmitter
WL-UN34-11L	Wireless	Safety Shower and Eyewash Station Monitoring Kit • UL General Purpose Latching TopWorx GO Switches • FM Intrinsically Safe Rosemount 702 Wireless Transmitter with Factory Configurable Date
WL-UN37-11L	Wireless	Safety Shower and Eyewash Station Monitoring Kit • UL General Purpose Latching TopWorx GO Switches • FM Intrinsically Safe Rosemount 702 Wireless Transmitter with High-Gain Remote Antenna

* An application data sheet may be required to engineer a TopWorx custom bracket solution for varying safety station styles and configurations. Contact your Emerson representative for more details or visit www.emerson.com/en-us/automation/topworx
