International Trade Compliance

“The present quotation, the acceptance of an order under this quotation and the fulfilment of any contractual obligations as a consequence of the quotation, are subject to all current applicable import, export control and sanctions laws, regulations, orders and requirements, including those of the United States where applicable. However, such laws and regulations may be amended from time to time including during the processing of an order. If Emerson Process Management Limited (The Company) should fail to receive any necessary or advisable licenses, authorisations or approvals, even arising from inaction by any relevant government authority, or if any such licenses, authorisations or approvals are denied or revoked, or if there is a change in any applicable laws, regulations, orders or requirements that would prohibit the Company from fulfilling any order, or would in the reasonable judgement of the Company otherwise expose the Company to a risk of liability under such laws, regulations, orders or requirements if it fulfilled the order, the Company shall be relieved without penalty of all obligations with respect to any order resulting from this quotation.”

Data Protection

Emerson reserves the right to transfer any information received from the counterparty to other Emerson affiliated company. Transfer of information to Emerson affiliated party may be necessary for the marketing, technical or commercial purposes, and in any case will be conducted in order to improve customers services.

“Information” shall include technical (technological processes, customers’ technical requirements, technologies in use, manufactured products), commercial (prices, discounts; bids; credit risks and payment performance) and other information. Emerson is not intended to collect and / or process any counterparties’ (when applicable) or counterparties’ employees’ personal data (as defined by the EU Directive 95/46/EC dated 24.10.1995). In case of provision of any personal data to Emerson, it shall be counterparties’ responsibility to assure legal compliance of personal data collection, processing and transfer to Emerson. Emerson reserves a right to erase all and any information that can be classified as personal data.

Emerson, Emerson’s affiliates and data processors in-country and abroad will store and process customer data for the execution of contracts in full compliance with the data protection laws, taking appropriate and adequate measures to ensure data security, confidentiality and integrity.
