WHY SWITCH TO 475 FIELD COMMUNICATOR?

After 13 years of service, the 375 Field Communicator is no longer supported. That means:

- No spare parts available
- No upgrades/service
- Limited technical support

HOW IT WORKS

Simply contact your Emerson sales representative and tell them that you want to take advantage of the STAY CURRENT promotion. The promotional part numbers for this program are listed below.

Note:

- Separate part numbers exist for HART and FOUNDATION fieldbus models.
- Purchase order must specify model and serial number of 375 or competitive unit being retired.
- Trade-in of the old communicator is not required.

Each package includes:

475 Field Communicator with Intrinsic Safety approvals, Easy Upgrade for 3 years, protective rubber boot, system card, lead set with connectors, carrying case, charger, Getting Started guide, 475 Resource CD, stylus and straps.

Communication Options	HART	HART + FOUNDATION Fieldbus
With Bluetooth	00475-EU16-EN01	00475-EU16-EN03
Without Bluetooth	00475-EU16-EN02	00475-EU16-EN04
