

Extend Maintenance Cycles with Easy-to-Use Fisher™ easy-Drive™ Parts Kits

FISHER™

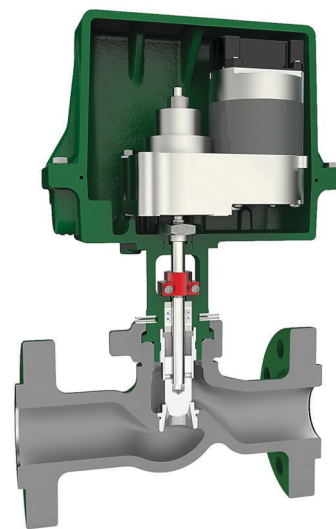

Operate confidently with reliable, cost-effective electric actuation

The Cost of Every Trip to the Oil Field

Oil & gas producers face increasing pressure to reduce emissions while keeping costs under control. Every trip to the field takes time and money, especially when equipment is located in remote areas. Long drives and extended downtime can strain resources and impact productivity. Reliability is critical. Equipment needs to perform consistently so technicians aren't making unnecessary trips. In this environment, every hour saved matters.

Emerson: Your Partner for Electric Actuation

Fisher™ easy-Drive™ electric actuators have a rugged design for long service life, simple maintenance and backed by Emerson's extensive service network. Maintenance part kits extend actuator life and reduce technician time by keeping operations running longer between service intervals. With Emerson Impact Partners products, you gain access to a full range of electric actuation, from Bettis™ to Fisher, plus local expertise, so you can operate with confidence knowing your equipment will perform as expected.

EMERSON™

Extend Maintenance Cycles with Easy-to-Use Fisher easy-Drive Parts Kits

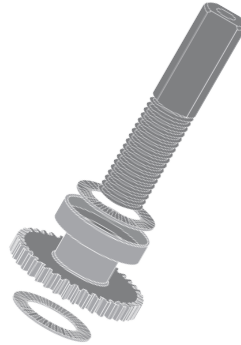

Our maintenance parts kits help you keep Fisher easy-Drive units running longer and more efficiently. With five tailored options, you can simplify maintenance and extend cycle life for maximum savings.

Board Replacement Kit

Electrical mishaps happen—but a damaged board doesn't mean replacing the whole unit.

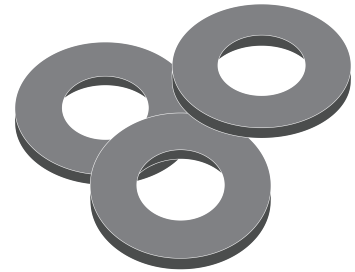

► **Buy: GE83055X012 (on/off) or GE83126X012 (positioning/throttling)**

Drivetrain Replacement Kit

Standard replacement of high wear components to extend maintenance cycle life of the unit.

► **Buy: GK15328X012**

Belleville Replacement Kit

Heavy duty and redesigned for maximum maintenance cycle life, the Belleville springs in the motor/gearbox assembly can be replaced as needed.

► **Buy: GK15266X012**

Other part kit options

- **Motor/Gearbox Assembly Replacement:** Replacement of the gearbox and motor within the Fisher easy-Drive unit. The board is not included in this parts kit. Part no. GK10613X012
- **Motor/Gearbox Assembly and Board Replacement:** Replacement of the inside of the Fisher easy-Drive unit. Part no. GK16046X012 (on/off) or GK16047X012 (positioning/throttling)
